Fasting

Almsgiving

***REMINDER* Lenten Resources**

Lent is the 40-day period from Ash Wednesday until sundown on Holy Thursday, a period corresponding to the 40 days Jesus spent fasting in the wilderness and enduring temptations from the devil before beginning his public ministry (Luke 4.1-13). We are called to recommit ourselves to Christ as we journey through Lent,

preparing to celebrate His death and His resurrection. It is helpful to focus on three pillars in choosing our Lenten promises: prayer, fasting, and almsgiving.

Marriage, Family & Life

***NEW* Marriage Tips**

Friends are those we can celebrate with in joyful times and rely on in times of conflict. Be a friend to your spouse, and remind him/her that you are there no matter what happens.

***NEW* Reflections for the separated/divorced**

"My kids will know how badly they treated me!" - *What Would Jesus Do?* is more than a popular Internet meme. It's our call as baptized Catholics! In his letter to the Romans, saint Paul instructs us to "put on the Lord Jesus Christ" (Rom 13:14), which means to figuratively clothe oneself with Jesus to reveal His glory to the world. So, be the bigger and better person that Jesus calls you to be, and refuse to talk poorly about your ex to your children. Choose to have charity towards your ex, and most especially your kids, as divorce is a difficult and confusing experience for them. Putting on the Lord Jesus Christ means not putting them or making them feel that they are caught in the middle or have to dislike your ex to make you happy.

***NEW* Canadian churches and Christian leaders call for peace as war in Ukraine enters its third year**

February 24 marked the second anniversary of Russia's invasion of Ukraine. National representatives of Orthodox, Catholic, and Protestant communities, in collaboration with the World Evangelical Alliance's Peace and Reconciliation Network, the Evangelical Fellowship of Canada, and the [Canadian Council of Churches](#), have signed this [Pastoral Letter](#) on Ukraine, Canada, and the Church, inviting all to join in praying for peace.

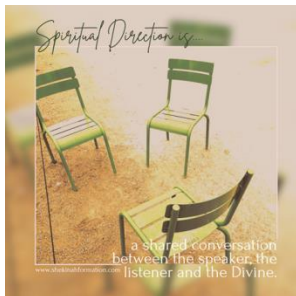

"Without in any way minimizing or ignoring the suffering and sorrow caused by war and violence in other areas of the world, we stand together in inviting Christians and all people of good will to prayerfully consider how we are all called, and might contribute to, the achievement of peace in and for Ukraine." – excerpt from the Pastoral Letter.

Endorsed by 45 leaders, the Letter identifies six meaningful ways by which to foster peace: 1. Pray. 2. Support Ukrainian Refugees. 3. Urge diplomatic steps towards a just and sustainable peace in Ukraine. 4. Seek cooperative relationships of humanitarian support. 5. Remember February 24, 2022. 6. Hope for reconciliation.

The President of the Canadian Conference of Catholic Bishops, the Most Rev. William T. McGrattan, Bishop of Calgary, supported by the CCCB's Executive Committee, is one of the aforementioned signatories to the Letter, now available in [English](#), [French](#) and [Ukrainian](#).

Our two-year program trains compassionate individuals to become spiritual directors, guiding others on their paths of self-discovery and sacred connection. Stewardship

March 3, 2024 - 3rd Sunday of Lent

“You shall not carve idols for yourselves in the shape of anything...” - Exodus 20:4

How many “gods” do you put before God? “Idols” do not always take the shape of physical things, things we can touch and feel. Those are easy to recognize. Many times they take the form of things we cannot touch and are much harder to spot like pride, power, ego, time, comfort or health. Pray for God’s help to prune our vices and to grow in virtue.

"Let Your Speech Always Be Gracious" – Pastoral Letter on the use of Social Media

The CCCB Episcopal Commission for Justice and Peace has released its Pastoral Letter on the use of social media titled: *"Let Your Speech Always Be Gracious."* Twenty years ago, few of us would have even heard the term "social media." Now it permeates almost every aspect of our lives. And, while social media's speed and reach exponentially increase the potential good it can do, they also increase the potential harm it can do. We are impacted by the role it plays in the spread of misinformation, the coarsening of civil discourse, the radicalization of political systems, and the mental health crisis that is especially prevalent among our youth. As such, social media is worthy of individual Catholics's attention, as well as that of our parishes and dioceses, who quite often avail

themselves of these tools. We invite you to read "Let Your Speech Always Be Gracious" by [clicking here](#).
