Re: Changes to the Canada Summer Jobs Grant Program

I am writing this letter to protest the recent change in the guidelines and application process for funding from the Canada Summer Jobs program. The required attestation is an attack on what I believe pertaining to the value and sanctity of human life. As a Canadian citizen, I believe this to be an unacceptable infringement of my freedom of conscience and religion, as guaranteed in the *Charter of Rights and Freedoms*, as well as associated case law.

Please note my displeasure and work to protect life and my freedom of conscience and religion.

Sincerely,
