The true motivation of religious life is the response to God's invitation and the desire to follow Christ. "I am thirsty" (John 19: 28). I experienced God's Love and felt a strong desire to answer His Call to Canada: God will help me overcome many challenges, such as learning a new language and a new culture.

After 10 years of priestly formation in Vietnam and Canada, I am getting ready to become a priest for the Archdiocese of Saint Boniface. Your generosity motivates me to serve its people! When I was ordained to the transitional diaconate in June 2021, I was so happy to see that my vocational dream was becoming reality.

My internship year at Saints-Martyrs-Canadiens Parish in 2020-21 was full of grace and it deepened my desire to work alongside God's people. The year was marked by the Covid-19 pandemic; nevertheless, I felt that the people of the Archdiocese of Saint Boniface were united with Christ in His most sorrowful Passion and were true signs of compassion.
