A WORD FROM OUR Seminarians

Joseph-Emmanuel
MUKENA
SEMINARIAN

I'm beginning my theological formation, an important step in learning about God and discerning my vocation to the priesthood. "Forward! With Hope!" is a message of encouragement from Christ, who calls me to serve Him. My whole life has been marked by the presence of the Lord, who placed generous people at my side to support me from a young age until I entered the seminary. I feel fully supported by so many people!

DEACON
Jean-Marcel
KABONGO
SEMINARIAN

As I begin my final year of theological studies, the theme "Forward! With Hope!" is an inspiration and source of hope for me. It brings to mind the memory of how my desire to embrace the path of the priesthood was born. And it keeps alive the memory of how rich that path has been, and how invigorating it continues to be.

ARCHBISHOP
Albert LeGatt
ARCHDIOCESE OF SAINT BONIFACE

By responding to Christ's call, our pastors and future pastors and seminarians recognize that they are to be in touch with the family of believers and with today's world. They open the Word of God to us, they offer each of us the Eucharist and the whole sacramental life. They bring us together in intimate union with Jesus and with all the faithful.

The Good Shepherd Campaign provides ongoing formation for priests, helping them to move forward with hope in their pastoral work. Such pastors, working with committed lay people, can truly move forward, with hope, helping our Church to grow and flourish.

With gratitude, in Christ Jesus, the Good Shepherd,
