The Good Shepherd Campaign

Archidiocèse de Saint-Boniface Archdiocese

"I have learned and grown quite a bit during my time as a seminarian at Christ the King Parish. I know how important it is to get to know people, to listen to them and be present with them. To simply share a coffee with them, chatting, laughing together.

To see them as they really are – people of faith who walk with God as best they can, with hope and love in their hearts.

"Our past, since the very beginning of Saint-Boniface, is storied with dedicated priests. Since 2017, we've had ten priestly ordinations.

This year, we have nine seminarians from Canada, Congo and Vietnam training here in Canada to become priests in our archdiocese.

Our future is assured, and we want you to be a significant part of it. Our future priests will offer the Eucharist and all the sacraments. They will contribute to the life of the Church on our church steps, parish halls, committees and classrooms, in our homes and at the hospital. We've even seen them moving the ball forward on the soccer field at the first annual Good Shepherd Cup!
