

## Who We Are

Our mission is to help others encounter the Lord through a retreat, talk or parish mission, educating and inspiring young people and their families into a deeper relationship with Jesus Christ. To move toward a continued understanding of the teachings of the Catholic Church and living out the New Evangelization. To offer groups of adults an opportunity to experience a training platform that is meant to implement the vision of comprehensive youth ministry, by engaging, nurturing, and empowering discipleship in young people, ministers, volunteers and within families.

Jason Baize has worked in Youth Ministry for over 15 years. He is now at Christ Our Saviour parish in Steinbach, MB as the full time Youth Leader. He

recently accepted the position as Director at the St. Malo Catholic Camps.

Paula Granger has worked in Youth Ministry for 6 years. She started at Notre Dame de Lorette parish as the Youth Minister and is currently Youth Minister at Blessed Sacrament parish.

### Our Core Values

We lead with servant's hearts.

We believe love comes first, at all costs.

We uphold the teachings of the Catholic Church.

We know there is power in prayer and trust in it.

We are disciples and disciple-makers.

*I sense that the moment has come to commit all the churches energies to a New Evangelization. No believer in Christ, no institution of the church can avoid this supreme duty to proclaim Christ to all peoples.*

RUAH is a unique ministry.  
We create events to serve  
the specific needs of the young people  
and their families in your faith community.

### Option 1

We offer a 6 hour retreat in parishes and schools where teens will have an extreme encounter with the Lord through talks, dramas, skits, and testimonies.

#### Sample Retreats:

- "SEALED" – A confirmation retreat, focused on The Holy Spirit and the importance of the sacrament.
- "ENTER CHANGE" – Dying to self, focused on moving toward selfless behaviour and away from selfish ones.
- "OPEN THE DOORS" – A retreat designed to get back to the basics. A great retreat for youth who may feel overwhelmed or do not fully understand the beauty and riches of our faith.
- "SAVED BY THE BELL" – Start of the new school year. Focused on building positive relationships and putting forth your best efforts.
- "SUMMER DREAMS" – End of the school year retreat to focus on creating a summer routine that strengthen ones relationship with God and family.

### Option 2

Provide a talk or parish mission to your community. We can deliver a wide range of topics to serve your parish. These events can be customized to your parish as a way to educate or inspire your parish toward a path of holiness.

#### Sample Talks:

- Discipleship
- Unity
- Led by the Spirit
- Liturgical Seasons

*We are unique in that we can custom tailor an event specific to the needs of your community.*

### Option 3

A training program that is geared towards equipping volunteers for the role of leading a Youth Ministry Program.

The training is designed to instruct individuals how to develop youth ministry into a parish setting. It provides intense lectures and examples giving the participants opportunities to practice the elements of ministry in order to achieve the skills needed in their efforts to build a Youth Ministry Program of their own.

"Revolution United Around Holiness -- RUAH Ministries, is simply what it means, the breath of God bringing forth inspiration to the children they encounter. They bring God to students, catering to their needs and abilities, and coming to their level to best send out God's message to them. Jason and Paula even pray for the participants even before they meet them! My students had a wonderful time and I plan to bring them back for my future students." – Gr. 8 teacher
