

Red River Mission: The Story of a People and Their Church

(softcover - \$18, hardcover - \$25; 48 pages)

Printed in 2018, as the Catholic Church in Western and Northern Canada celebrated a momentous anniversary, the 200th anniversary of the establishment of the Roman Catholic Church in these regions of Canada. The theme for the anniversary year and its many events and projects was: *And the desert shall blossom...*, a verse from Psalm 65 that Bishop Provencher chose as his motto on seeing the vast open spaces and the challenges before him, coupled with the promise of spreading the Gospel through those faraway lands.
