

Dear Pastors, PPC Sisters & Brothers,

It was such a pleasure to spend time with you during our last DPC on April 5<sup>th</sup>!

The response to this invitation and the enthusiasm in the room were heartwarming (total and virtual). This day offers a special time for the exchange of information, the opportunity for community building among us, and most especially, an occasion to share and celebrate successes!

Your feedback and input provides us, the Diocesan DPC team, with information to respond to your needs and challenges.

Thank you for taking the time to fill in the Feedback sheets. In reviewing these, we are providing you with some responses to your feedback/comments/questions so that you have the information needed to move ahead sooner:

- **Re: Finding us on the Website:** On the Archdiocesan Home page, under “Diocesan Services”, you will now find ‘Parish Pastoral Councils, PPC’ listed. We have renamed

this section so as to facilitate your search for PPC info. This section contains all Foundational Documents, Resource information (handouts providing support,) and DPC minutes.

- Re: Pastors & their PPC: Our Diocesan Renewal & Growth of PPC Committee has been invited by Archbishop LeGatt to attend a Priests' Study Day on June 5<sup>th</sup>. This will provide feedback from our Pastors as to the successes/needs/ challenges that they may face concerning PPC.

*\*Upon receiving the DPC minutes and all pertinent handouts, please share with your PPC members as it is important that all are aware of any new information that may affect their Pillars/Ministries. \**
