

**One Hundred Years  
And We Give Thanks**

HOLY CROSS, where we come to pray  
To feel His love, to hear His call  
The Building...so beautiful, so strong  
And "All of Us", its Heart and Soul  
We Gather – and we give thanks

So many footsteps through your doors  
So many prayers to Thee  
How many lives have been so loved  
How many souls set free  
We Remember – and we give thanks

Our needs and wants  
Always the same  
The promise of Eternal Life  
You offer in Your Name  
We Believe – and we give thanks
