

## *L'Arche Fans of the Winnipeg Jets*

Last spring (May 2014) some L'Arche Winnipeg members were assisting Mr. Robert Larouche (invited speaker) in facilitating the annual diocesan retreat for priests. Ross, a young man from L'Arche, mentioned to Archbishop Albert LeGatt that he liked hockey. Archbishop LeGatt said he would look into the possibility of getting some tickets to a Jets game. Several weeks later L'Arche received a phone call from Archbishop LeGatt saying he had obtained 20 Jets tickets - in a box suite, no less - for L'Arche! Our heartfelt thank you goes out to the North West Company and its' CEO Edward Kennedy for donating their box seat tickets to L'Arche for the December 16, 2014 game against Buffalo, and to Archbishop LeGatt for having made this memorable evening possible - even more so with the Jets winning 5 to 1!
