On Sunday, February 14, St John Berchmans Parish in Holland celebrated marriage and families on World Marriage Day. Parishioners were invited to bring a wedding photo to be placed on a table. The photos were of great interest to many parishioners.

Pastor Jose Montepeque addressed sacramental marriage , highlighting the graces and the joy of married couples. He outlined that among the many blessings, children, grandchildren and great grandchildren are one of the fruits of faithfulness. All married couples were given a special blessing after Communion. It was a lovely celebration!
