

OBJECTIVES, PREPARATION AND ACTIVITES OF THE PASTORAL VISIT OF THE PARISH

***“The pastoral visit is an apostolic endeavour,
an event of grace.”***

(Directory of Bishops)

Using the orientations suggested in this document, the pastor and the parish team, along with the Parish Pastoral Council and the Parish Administration Board (Parish Finance Committee) prepare the Archbishop's pastoral visit.

GOALS OF THE VISITATION

1. To come into personal contact with the priests, parish life directors and priest moderators, deacons, pastoral coordinators, pastoral associates, and lay people responsible for various areas of the pastoral life of the parish.
2. To become acquainted with the reality of the environment, the socio-economic condition of the people, the current pastoral programs, and the overall functioning of the parish.
3. From a faith perspective, to look at the parish community in its main components : faith education at all ages, sacramental and liturgical life, the sense of community, co-responsibility, service to society, the relationship of the parish with the archdiocesan and universal Church; financial organisation and the state of recordkeeping of sacramental registers and other archival material.
4. To bring encouragement and hope to those involved in pastoral work and to all the people of the parish.
5. To celebrate the Eucharist and to proclaim the Word of God with the parish community convened for the occasion.

PREPARATION OF THE VISIT

1. In each parish, the Parish Pastoral Council or a special committee of this Council takes on the responsibility of the preparation, facilitation and evaluation of the visit.
2. To prepare, there are questionnaires to be completed and submitted to the Archbishop one week before the meeting with the Parish Pastoral Council and Parish Finance Committee.
3. Questionnaire I is more general in nature and must be completed by each parish. Questionnaire II, which is more detailed, is meant to guide you towards a deeper analysis. It is optional, but could be a useful tool for the parish in its preparations.

In addition, before the Archbishop's visit, the Diocesan Financial Administrator and/or his internal audit team will be on site to perform the necessary audits. This will also be the case for the Diocesan Chancellor who will verify the sacramental registers and other archival material.

4. The pastoral visit of the Archbishop is announced beforehand and is preceded by explanations teaching the parishioners about the meaning of the visit. This can then also be an occasion for consultation amongst all the parishioners on various aspects of the visit.

ACTIVITIES DURING THE VISIT

The pastoral visit will take place over two or three days. In a general manner, the schedule of the pastoral visit, to be planned by the Pastor, the chair of the Parish Pastoral Council and the chair of the Parish Finance Committee in consultation with the Archbishop, will include the following elements, according to the realities of the parish:

- Individual visit with the pastor or the team comprised of parish life directors and priest moderator
- Joint meeting with members of the Parish Pastoral Council and Parish Finance Committee, beginning with a discussion of the pastoral dimension followed by the financial situation
- Individual visits with lay people involved in pastoral life, either employed or volunteer, especially the coordinators of the various areas of the pastoral life of the parish.
- Visit of the sick and elderly
- Visit with young people (either through catechetical programs, meeting with teenagers, school classes or other such opportunities)
- Other visits or meetings

The visit concludes on a weekend:

- The Archbishop will preside all weekend Eucharistic celebrations, where he will offer on what he has observed and recommendations and encouragement for the future.
- Open forum/townhall meeting whereby the parishioners can ask questions of the Archbishop and offer suggestions in regards to their parish and to the diocese
