***UPDATE* Summer Chapels during the COVID-19 Pandemic**

For a long time, the faithful who enjoy getting away have been able to celebrate the Sunday Mass by visiting rural parishes or summer chapels. Unfortunately, the pandemic has complicated things. Some chapels or parishes are open but must limit the number of attendees. Other chapels will open only if COVID restrictions are further relaxed. For now, four of our summer chapels are celebrating Sunday mass:

- Falcon Lake: Mass will be at 10:30 a.m. Communion will also be distributed outside after mass.
- Traverse Bay: Mass will be celebrated at 7:30 p.m. on Saturday and at 10:30 a.m. on Sunday.
- Albert Beach: Mass will be celebrated in French at 10:30 a.m. Please call 204-292-2278 to register.
- Grand Marais: Mass is celebrated every second Saturday at 5 p.m. On Sunday morning, there is either a mass or a communion service at 10 a.m.

If provincial health directives change, consult the Archdiocesan website at [Archdiocese of Saint Boniface - Summer Chapels \(archsaintboniface.ca\)](https://www.archsaintboniface.ca) for updated information.

Updates will also be published on August 3rd in the next *Weekly News Bulletin*.

***NEW* Growing in Wisdom: Seeking Deeper Generativity – September 14-18, 2021**
Growing in Wisdom: Seeking Deeper Generativity is an ecumenical program designed for those seeking to engage in their maturing years with wisdom and grace. This is a time in which we can begin to look back on the life we have lived and find openness to new or previously undeveloped inner vistas. It is a time to begin to come to terms with our own mortality and the grace we find in facing this part of our lives with wisdom and satisfaction. This two-year program is a dynamic interplay between and among each participant, the Growing in Wisdom Community, and Divine Mystery, assisting in the inner transformation of participants as the journey unfolds. It is a program modelled after the Forest Dwelling Program from the Oblate School of Theology in San Antonio, Texas. The first intensive from September 14 - 18, 2021 will be offered entirely on Zoom. Please consult the [attached document](#) for more information and/or contact Nancy Phillips, Program Coordinator at (204) 470-9437 or dnphil@mymts.net

New Resources

***NEW* Hark: The Herald Newsletter**

In May of this year, Notre Dame du Laus parish in Powerview-Pine Falls began putting together a monthly/bi-monthly newsletter of sorts as a way to encourage the faithful during these trying times, and as a tool to evangelize those who may not otherwise hear the Word of God. We have been distributing to local businesses, post offices, as well as parishes. Content varies by issue but often includes reflections on ancient wisdom, gospel meditations, monthly devotions, a catechism piece for children, and much more. If you would like to subscribe to future issues or receive past issues, please email ndlnewsletter@outlook.com. Thank you! To view the May issue, [click here](#). Stewardship

***NEW* July 11, 2021 - 15th Sunday in Ordinary Time**

"He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts." MARK 6:8

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God's providential care. Think of all the material things "we can't live without" in today's world. We make our life's journey more difficult because of all the material baggage that we drag along. Putting stewardship first in everything and putting our money and possessions second gives us freedom because we don't become "slaves" to wanting to acquire more things.

Bishop LeGatt Video Message – Let us Humbly and Actively Seek to Listen, First

Since June 21st is National Indigenous Peoples' Day, Archbishop Albert reflects on the first and most urging action non-Indigenous people must take: humbly and actively listening to the experiences and wisdom Indigenous peoples share. Truly, we must together take action in the light of the recent shocking finding of those 215 unmarked children's graves on the site of the Residential School that once stood on Tk'emlúps te Secwépemc First Nation, and of similar findings that have preceded it, including the systemic inequity continuing to be faced by Indigenous peoples in Canada. But the first and most pressing action non-Indigenous

people must take is real, true, humble listening, in order to then affect to more concrete and lasting change. Especially now as the UN Declaration on Rights of Indigenous Peoples is set to soon become law in Canada, let us continue, together, to build the ways of healing, reconciliation, and peace.

COVID-19 Faith Stories Webpage – NEW Stories

Our lives were turned upside down in March 2020 by the pandemic. Working from home, homeschooling, participating in virtual meetings, wearing a mask, and social distancing have become regular practice. Some of us may still be facing uncertainty surrounding our employment and our mental and physical health and are feeling concerned for our loved ones. We could allow ourselves to give in to feelings of hopelessness and the belief that the past year hasn't born any fruit.

But that is definitely not the case. Humans are resilient and we have succeeded in adapting. Since the beginning of the pandemic, we have seen and heard beautiful stories that prove we really are a people of hope. Stories such as how our youth ministers adapted to COVID

by using Internet and new technologies. Or how one hundred youth from seven parishes were confirmed by Bishop Albert LeG despite of capacity restrictions and provincial orders that prohibited young people from meeting in class to prepare for their confirmation.

To read these faith stories, from people and parishes in our Archdiocese during the COVID-19 pandemic, [click here](#). And visit page regularly – since hope remains, always, there are more faith stories to come!
