## Lenten Resources & Activities

**\*REMINDER\* Lenten Resources**

Lent is the 40-day period from Ash Wednesday until sundown on Holy Thursday, a period corresponding to the 40 days Jesus spent fasting in the wilderness and enduring temptations from the devil before beginning his public ministry (Luke 4.1-13). We are called to recommit ourselves to Christ as we journey through Lent,

preparing to celebrate His death and His resurrection. It is helpful to focus on three pillars in choosing our Lenten promises: prayer, fasting, and almsgiving.

**\*REMINDER\* “Let Your Speech Always Be Gracious” – Pastoral Letter on the use of Social Media**

The CCCB Episcopal Commission for Justice and Peace has released its Pastoral Letter on the use of social media titled: “*Let Your Speech Always Be Gracious.*” Twenty years ago, few of us would have even heard the term “social media.” Now it permeates almost every aspect of our lives. And, while social media’s speed and reach exponentially increase the potential good it can do, they also increase the potential harm it can do. We are impacted by the role it plays in the spread of misinformation, the coarsening of civil discourse, the radicalization of political systems, and the mental health crisis that is especially prevalent among our youth. As such, social media is worthy of individual

Catholics’s attention, as well as that of our parishes and dioceses, who quite often avail themselves of these tools. We invite you to read “Let Your Speech Always Be Gracious” by [clicking here](#).

## Stewardship

February 25, 2024 - 2<sup>nd</sup> Sunday of Lent

*"Here I am!" he answered.* - Genesis 22:11

It is easy to say, *"Here I am, Lord,"* when we are kneeling in church. But how easy is it to say *"Here I am, Lord,"* when a neighbor needs our help, or when we are invited to join a parish ministry, or when we are asked to provide financial support? Often times we are called when it's not convenient for us. Discipleship is not easy, most of the time it will make us uncomfortable and vulnerable.

As the first month of the year has already come to a close, Archbishop LeGatt proposes a reflection focusing on mental health. Indeed, these darkest and coldest days of the year bring with them a particular toll on our mental health, and now more than ever, it is important for us to reflect on mental health and on the wellbeing of those around us.
