Novena for Peace in Ukraine

Most holy and immaculate Virgin,

Mother of Jesus and our loving mother,

you shared in his universal kingship.

The prophets and angels proclaimed him King of Peace.

With loving fervor in our hearts, we salute and honor you as Queen of Peace.

We pray for your intercession for our brothers and sisters in Ukraine.

Protect all people from hatred and discord and direct our hearts into the ways of peace and justice which your Son taught and lived out. We ask your motherly care for our Holy Father and all who work together to reconcile the nations in peace.

We seek your guidance for Ukraine, its President and its people. We pray for all world leaders, empower them with the Holy Spirit, and we pray in a special way for the people of Russia.

Glorious Queen of peace, grant us peace in our hearts, harmony in our families and concord among all nations of the world.

Our Lady of Peace: pray for us.

Please pray one Our Father and three Hail Mary's.

To be prayed for nine days.
