

OBJECTIVES, PREPARATION AND ACTIVITIES OF THE PASTORAL VISIT OF THE PARISH

**« The pastoral visit is an apostolic endeavour,
an event of grace.»**
(Directory of Bishops)

Using the orientations suggested in this document, the pastor and the parish team, along with the Parish Pastoral Council and the Parish Administration Board (Parish Finance Committee) prepare the Archbishop's pastoral visit.

GOALS OF THE VISITATION

1. To come into personal contact with the priests, parish life directors and priest moderator, deacons, pastoral coordinators, pastoral associates, and lay people responsible for various areas of the pastoral life of the parish.
2. To become acquainted with the reality of the environment, the socio-economic condition of the people, the current pastoral programs, and the overall functioning of the parish.
3. From a faith perspective, to look at the parish community in its main components : faith education at all ages, sacramental and liturgical life, the sense of community, co-responsibility, service to society, the relationship of the parish with the archdiocesan and universal Church; financial organisation and the state of recordkeeping of sacramental registers and other archival material.
4. To bring encouragement and hope to those involved in pastoral work and to all the people of the parish.
5. To celebrate the Eucharist and to proclaim the Word of God with the parish community convened for the occasion.
6. To make known the pastoral priorities of the Archdiocese and to foster a sense of belonging to the archdiocesan Church through knowledge of the 2013-2018 Action Plan.

PREPARATION OF THE VISIT

1. A preparatory meeting with the Archbishop, the Pastor and the Executives of the Parish Pastoral Council and Parish Administration Board or Finance Committee, is held 3-4 months before the actual visit.
2. In each parish, the Parish Pastoral Council or a special committee of this Council takes on the responsibility of the preparation, facilitation and evaluation of the visit.
3. For the preparation there are three questionnaires to complete. The pastor and parish team complete the first questionnaire which is of a statistical and general nature. The Parish Pastoral Council and the Parish Administration Board (Parish Finance Committee) are asked to complete the questionnaire that deals with their respective roles.

In addition, before the Archbishop's visit, the Diocesan Financial Administrator and/or his internal audit team will come on site to perform the necessary audits. This will also be the case for the Diocesan Chancellor who will verify the sacramental registers and other archival material.

4. The pastoral visit of the Archbishop is announced beforehand and is preceded by explanations teaching the parishioners the meaning of the visit. This can then also be the

occasion for consultation to be done amongst all the parishioners on various aspects of the visit.

ACTIVITIES DURING THE VISIT

The pastoral visit will take place over two or more days. In a general manner, the schedule of the pastoral visit, to be planned by the Pastor and Pastoral Council after the preparatory meeting with the Archbishop, will include the following elements:

- Individual visit with the pastor or the team comprised of parish life directors and priest moderator
- Meeting with members of the Parish Pastoral Council and Parish Finance Committee together, with a discussion of the pastoral dimension firstly, and then secondly of the financial situation
- Individual visits with lay people involved in pastoral life, either employed or volunteer, especially the coordinators of the various areas of the pastoral life of the parish.
- Visit of the sick and elderly
- Visit with young people (either through catechetical programs, meeting with teenagers, school classes or other such opportunities)
- Other visits or encounters

The visit concludes on a weekend :

- All weekend Eucharists celebrated by Archbishop Albert where he offers reflections on what he has observed and recommendations and encouragement for the future.
- Open forum/townhall meeting whereby the parishioners can ask questions of the Archbishop and offer suggestions in regards to their parish and to the diocese
