

September 26 - November 4
40 DAYS FOR LIFE®

**Abortion is the greatest evil in the history of
Canada...and the world.**

This evil has created great pain but it has also inspired great heroes. The battle over abortion is one for hearts, minds, and souls...and the stories that accompany this epic defense of human life show what God is doing to end this injustice.

Will you end the injustice and give a few hours to be present at 40 Days for Life?
